

Media Arts and Sciences Student Course Substitute Petition

The purpose of this petition is to provide a formal means for MAS students to request that a non-AME course count as an AME course in the Plan of Study. This petition must be filed and approved by both the student's advisor and the AME Graduate Chair. Students who are petitioning for a course to be completed post-matriculation (as opposed to a course that was completed pre-admission), must receive approval *prior* to enrolling for the course.
